

**Are you afraid of your
child or feel unsafe in
your home?**

**Do you feel alone or isolated
because of your child's behaviour?**

**Do you feel you have lost control
over and respect from your child?**

**Does your child threaten,
blackmail, insult or humiliate you?**

**Does your child damage objects in
your home or steal your money?**

**Do you feel you are losing your
parental authority?**

Talking to others about the violence and abuse happening in your home may feel overwhelming.

It can help to create a network of trusted people that offers support and assistance when things get bad at home.
